

# Creating a Brighter Tomorrow

## Help Unleash a Child's FULL POTENTIAL

### ABOUT US

The NextGen Foundation's mission is to promote and support children in the community through sports. Today the Foundation focuses to drive initiatives that allow all children access to outdoor and indoor sports. The NextGen Foundation seeks to inspire and foster large-scale impact that promotes the well-being of kids by identifying and implementing solutions, ideas and conversations.

We foster these opportunities through our own initiatives as well as co-sponsored partnerships with other similarly focused programs. This impact extends beyond our local community and travels with the young athletes for years to come.

Access to sports for children is essential to their mental wellness, cognitive skill development and leadership. These characteristics are important when developing outstanding citizens for tomorrow.
