

# NEW ATHLETE CHECKLIST

## WELCOME TO NEXTGEN!

We are excited for you to join our amazing Academy. We have put in a ton of work to make the program stand out, not only in the area but in the state and country. This document will help to make sure you are getting onboarded as a new athlete without missing anything.

Once these 3 tasks have been completed, you're all set to go! Stay connected to the team chat for match and training updates.

Once we have identified a good fit for the Academy, you will receive an email from us to register your athlete. This will include Athlete & Parent/Guardian Information, Waivers, Commitment Forms, etc. You will need a good headshot and the athlete's birth certificate.
